### **KEITH SLATER NAMED VICE PRESIDENT, GENERAL MANAGER OF HENRY SCHEIN MEDICAL SYSTEMS**

**Boardman, Ohio – April 10, 2009** – Henry Schein Medical Systems, a provider of mature and cost-efficient practice management, document management and electronic medical records systems, today announced that Keith Slater has joined the executive leadership team as vice president, general manager. In this position, Slater will be responsible for the general management of Henry Schein Medical Systems, customer care, support, training, and product implementation. He will report to Ajit Kumar, president and CEO of Henry Schein Medical Systems.

“Keith’s extensive experience in the healthcare industry will help Henry Schein Medical Systems continue our Company’s commitment to providing excellent customer service,” said Kumar. “He is known throughout the industry for his ability to lead and develop effective management teams, which will help to ensure that we remain an industry leader with robust product offerings.”

Slater joins Henry Schein Medical Systems with 20 years of experience in the healthcare technology field. Most recently, Slater served as the vice president for physician software services for MED3000, Inc. In this position, he was responsible for leading teams that delivered a variety of services to customers, including implementation and training, database administration, custom reporting and data warehousing. Prior to his work with MED3000, Inc., Slater spent 11 years with Misys Healthcare Systems serving in various senior positions, including enterprise sales manager and director of client implementations.
