OHIO SENATOR JOE SCHIAVONI LAUDS HENRY SCHEIN MEDICAL SYSTEMS FOR TAKING A LEADERSHIP ROLE IN IMPROVING HEALTH CARE DELIVERY

Legislator gets a firsthand look at how MicroMD[®] electronic medical record and practice management solutions are supporting providers in transforming health care

Boardman, Ohio – June 8, 2010 – Henry Schein Medical Systems, a provider of proven and cost-effective practice management (PM) and electronic medical records (EMR) systems, today announced that Senator Joe Schiavoni (D-Ohio) has commended the Company for its successful health care strategy and continued growth, despite challenging economic conditions.

Senator Schiavoni visited Henry Schein Medical Systems' Boardman, Ohio, headquarters on June 7 to learn more about the Company, and to find out how its MicroMD electronic medical record and practice management solutions are supporting health care providers in streamlining operational efficiencies and improving care delivery.

“During my visit to Henry Schein Medical Systems, I was impressed not only with the Company’s deep commitment to the delivery of innovative health care information technology solutions, but also with its significant growth during tough economic times as well as its strong community focus,” said Senator Schiavoni. “I was able to witness firsthand Henry Schein Medical Systems’ contribution to the local community and also had the opportunity to better understand how solutions such as MicroMD are helping providers effectively address many of the issues that are at the forefront of health care reform initiatives.”

After a brief presentation on Henry Schein Medical Systems and its product offerings, Senator Schiavoni took a tour of the corporate offices, where he was introduced to Team Schein Members and learned about the Company’s daily operations. During a lunch in his honor, Senator Schiavoni and the Henry Schein Medical Systems team then discussed some of the most pressing challenges facing the health care industry, as well as the Company’s strategy for effectively addressing those challenges and facilitating the industry’s continued growth. Senator Capri Cafaro (D-Ohio) and Representative Ronald Gerberry (D-Ohio) accompanied Senator Schiavoni on his visit and tour.

-more-

“We are pleased to have Senator Schiavoni recognize Henry Schein Medical Systems as a leader in the health care information technology field and as a business leader in the State of Ohio,” said Keith Slater, General Manager and Vice President of Henry Schein Medical Systems. “The Senator’s visit has demonstrated how lawmakers and businesses can learn from each other and work together to improve health care delivery.”

Founded in 1982 by Ajit Kumar, Henry Schein Medical Systems’ operations are based in the Northeastern Ohio region, where the Company employs more than 84 local residents and continues to achieve steady growth.

About MicroMD and Henry Schein Medical Systems

Henry Schein Medical Systems MicroMD provides simple yet powerful EMR and practice management solutions that help facilitate the delivery of superior patient care; automate incentive and quality reporting activities; and streamline operations for today’s busy providers. Full-featured, time-tested and budget-friendly, the MicroMD CCHIT-certified, award-winning software helps small practices, large medical groups, community health centers and billing services accelerate progress towards a paperless environment and health information exchange with minimal disruption and stress. High client retention rates attest to its market-leading presence and client-centric focus. Visit us at www.micromd.com or call 1-800-624-8832.
