

Henry Schein MicroMD® Certified Value Added Reseller (VAR) Program

We are currently seeking to partner with technology resellers that work with healthcare organizations. The Henry Schein MicroMD brand of practice solutions encompasses simple yet powerful Electronic Medical Records (EMR) and Practice Management (PM) software that help facilitate the delivery of superior patient care, automate incentive and quality reporting activities and streamline operations for today's busy providers. Full-featured, time-tested and budget-friendly, the MicroMD ONC-ATCB certified, award-winning software helps small practices, large medical groups, community health centers and billing services accelerate progress towards a paperless environment and health information exchange with minimal disruption and stress. High client retention rates attest to its market-leading presence and client-centric focus.

Qualifications for VAR Program

We seek to certify VARs that are experienced medical software resellers with dedicated sales, support and implementation teams.

Sales Referral Agent Program

If you are interested in promoting Henry Schein MicroMD products and services, but don't meet our certification requirements, you may meet the qualifications to become a MicroMD Sales Referral Agent. The Sales Referral Agent program rewards participants for referring prospects interested in purchasing Henry Schein MicroMD products and services.
